

MARIAN SCHOOL BOARD OF TRUSTEES

**INTERNET ACCEPTABLE USE POLICY FOR STUDENTS AT
MARIAN SCHOOL**

PURPOSE

That Marian School students will enjoy resource sharing, information access, and communication through access to and acceptable use of the Internet.

POLICY

- The school will take all reasonable measures to restrict access to inappropriate material whenever possible.
- The school will use appropriate and current Internet filtering software.
- Parents and caregivers are responsible for setting and conveying the standards that their children should follow when using media and information sources. Therefore the school respects each family's right to decide whether or not their child will be allowed access.
- There is a requirement for any student computer user to read the current Guidelines for acceptable Internet use, discuss these with their parents, sign, and return a Student Computer and Internet Use Agreement before accessing the Internet, and understand the responsibility of using the Internet.

REVIEW

This policy will be reviewed by the ICT Committee and Board triennially.
