Focus for the Week

Reflection of the Gospel of the 29th Sunday of Ordinary Time. 'A place in heaven' Mark 10: 35-45

In Sunday's gospel Jesus reminds us that God the Father is the one who will decide who will have a place in Heaven. Jesus didn't come to earth as a king but as a servant. He put our needs first and died on the cross to save us from sin. By remembering the words of Jesus,

"Whatever you do to others, you do to me"

We should always remember to treat others with love and kindness and to think of them before ourselves. By not being selfish, or bossy and instead being generous with our love, we will be assured of a place in heaven with Jesus.

Values Focus

Love of God, Self and Others – Week 2

Getting closer to God through prayer requires commitment. Part of the Year 6 Religious Education programme focuses on becoming a good 'pray-er' – developing those qualities which allow us to create a solid path for communicating with God. 4 qualities are listed: **Perseverance** – the ability to keep on praying even when times are tough; **Availability** – setting regular time aside for prayer; **Trust** – having faith that God is listening even if our prayers aren't always answered; **Honesty** – being honest in our communication with God, particularly in being sorry for our wrongdoings and asking for forgiveness.

Paying attention to these qualities when praying sets us up for a closer relationship with God and more able to be the hands and face of Christ.

Principal's Reflection

A HUGE THANK YOU to our school community for your support with our Mission Day last Friday. Mission Day is always such a highlight in a Catholic School and ours is no exception.

With a lovely carnival type atmosphere, our Sam Trenwith busking, our seniors were exemplary in their organisation and manning of their stalls. Each teaching team organised raffles, our support staff ran the sausage sizzle and the Team 4 teachers decorated cake claimed the highest auction bid. A great day was had by all.

Mrs Nicki Whyte our DRS, spoke during the homily at our Mission Mass on our three Mission projects we are supporting; Our Cathedral Food for the Hungry Programme, Hamilton Combined Christian Foodbank and our Mission Sisters school, Euphrase School in Myanmar. Our final total is \$6,697.60. An outstanding effort thank you all.

GROWTH COACHING

One of our strategic initiatives is to build a coaching culture within our school. This approach draws on

Empowered to Learn. Inspired for Life.

the strengths and skills of our staff and empowers growth and development. During Term Three we had four teachers attend the two day introductory course on GROWTH COACHING. During our recent October holiday break a further ten teachers were trained. This provides an excellent critical mass to implement this model that empowers and celebrates staff development. I see this approach being implemented over the next couple of years with both staff and students.

“EMPOWERED TO LEARN”, inspired for life. We are developing a “language of learning” across the school to equip our students with an understanding of the learning process and vocabulary to express their learning experiences. Last year many teachers introduced the “Learning Pit” to their classes and used this language of learning across different learning contexts.

Another empowering tool is using Above the Line/ Below the Line thinking. This compliments Growth Mindset language. This language helps put students in control -- if they do something Below the Line, they always have the opportunity to fix it. [That's important] because throughout their lives, they are the ones who will have to make appropriate decisions.

SCHOOL ORGANISATION for 2019

At the last Board of Trustees meeting the BOT approved the following Leadership Structure for 2019. Our current assistant principals, Mrs Toni Walters-freke and Mrs Erin Sawyer will be Deputy Principals taking responsibility for their current teaching teams and schoolwide responsibilities. We are introducing an additional leadership layer, Leaders of Learning for each

teaching team. We will be renaming Team 3 to Learning Community 4 (LC4) and Team 4 to Learning Community 5 (LC5).

Enviroschool Notice

Perhaps over the long weekend you got stuck into your garden and prepared it for the new season ahead. If you are planting flowers, shrubs or vegetables they will all need feeding over the coming months. Marian Catholic School's Worm Juice is all that you will need. For only \$2 you can make 10 litres of magic liquid fertiliser. You'll find the worm juice for sale outside of the main school office.

Uniform

We are still having to follow up students that do not have PE gear for fitness and physical activity. Please ensure you sort this out over the holidays – we have an action packed term coming up with Athletics and we want to ensure full participation. A reminder too that the summer school uniform requires black leather sandals to be worn with short sleeved shirts

and t-shirts. **Sun hats** are also an important part of our summer uniform and must be worn every day. Children without a sun hat will be sent to play in a designated shady area at all break times.

Celebrating Success

Congratulations to **Cora McInerney**, (Rm20 – Yr8) who has been awarded the Altrusa Young Citizens Award. She will attend the presentation on Wednesday 31 October at the Hamilton Gardens. Well done Cora!
