### Focus for the Week

#### **Gospel Reflection: Help Us To See**

John 9: 1-41 Fourth Sunday in Lent

In Sunday's Gospel Jesus cured a blind man. The blind man knew that Jesus had done a wonderful thing and was not an ordinary man. Jesus told His disciples that He was the "light of the world." He explained to the disciples that He had cured the blind man so that the man could 'see' that Jesus was the son of God.

We also can make sure that we are filled with God's light by praying every day. Through prayer we talk to God and get to know him better. By praying daily, God will help us to see the way we should live our lives.

### PRINCIPAL'S REFLECTION

#### ***"Have confidence in God, live humbly and be kind"***

These wise words by Euphrasie Barbier are particularly pertinent for us all at the moment. We need to trust that together we will overcome the challenges COVID-19 poses us and our communities. **Be kind** are two important words for us all. I would like to commend the entire staff here at Marian Catholic School who have pulled in together to ensure our school is a clean safe place to be, have supported each other and worked together to provide the best possible learning for our children. Thank you to each one of our staff - it is times such as these that we really appreciate the love and support that surrounds us.

#### ***School holidays have been brought forward***

School holidays are being brought forward so that they are completed within the 4 week period. Holidays will now begin from Monday 30 March to Tuesday 14 April

inclusive (a reminder that the Tuesday after Easter Monday is always a closed day for schools).

At the end of the school holidays, schools will be open for distance learning but not physically open for staff to work at the schools. Please note the instruction to stay home (Alert Level 4) will continue beyond the new school holiday period but schools will be technically open for distance learning. With any changes we will update you as we are informed by Government, Ministry of Education and Ministry of Health.

#### ***Our 'Weird Times' prayer***

Jesus, these are weird times, but I know you are with me and my friends,

You care about my school and all the people in Aotearoa and this world.

Thank you for being with me especially if I'm scared. Thank you for listening to me when I pray.

Please, help all people who are sick, or scared about getting sick,

Help me to remember to wash my hands,

Help me to not get too grumpy when I can't do the things I want, or go where I want,

Thank you for the people who love me and care for me.

I know that with them, and you, I am never alone.

Amen.

May God bless you all and your families

## Sport Notices

### Marian Catholic School Sports Notice Wednesday 25 March 2020

Well, it was a very abrupt end to our Summer sports last week, with everything being cancelled due to Covid-19. I would like to thank all our Coaches and Managers who did a fantastic job during the term looking after our teams.

At this stage, all winter sports have been postponed until 2 May 2020 at the earliest. Obviously this, like everything at the moment, could change. In the meantime, I will continue working towards a start of 2 May. This means all registrations are still open today (last day today!), and I will work on the number of teams in each sport and get them registered to play before their respective deadlines. I may not necessarily name teams yet, so don't expect an email straight away. My priority is knowing how many teams in each sport/age group we have and getting them registered (in the hope that we get to play winter sport!)

Stay in your bubble, stay safe and be kind.

### WINTER HOCKEY, NETBALL & BASKETBALL REGISTRATIONS AVAILABLE NOW ONLINE!

Head to our Marian Catholic School Website, under 'School Info' heading you will find 'Sport'. Click on your chosen sport, fill the registration form out, press send and its done!

Please be aware that we do not grade teams at Marian Catholic School for years 1-6. I will do my best to keep teams who have played together in the past together, however, I cannot guarantee it. We also need to not have too many children in a team. It is no fun for the child, the coach or the parents on the sideline to have kids spending more time off the court/field and on. Depending on final numbers in each age group, some children may miss out or be placed in a team older than their age group.

All netball, hockey and basketball teams require a coach and manager to look after the team. Netball and hockey teams also need to supply an umpire for every game (this cannot be the teams coach). It is very important that people volunteer their time for this and are willing to put their hands up to help. Without it, I am unable to register teams to play, and the kids miss out. Please be aware that sometimes we are fortunate enough to have young students that offer to umpire. If this is the case, you may be asked to provide a small donation to pay the student.
